July—August 2018  
IEYC—1 & 2

## Parent Orientation

16<sup>th</sup> July, 2018 was a memorable day as we at St. Pius X High School extended our wings and started St. Pius X International School. It was inaugurated by our Managing Trustee Rev. Fr. Cleophas Fernandes and Principal Rev. Fr. Gavin D'Souza. After a lot of research and reviews we decided to implement the International Primary Curriculum (IEYC) from the University of Bath, U.K. for the Pre-Primary children.

For the Academic Session 2018-19, we started with IEYC I (Nursery) and IEYC II ( Junior KG). On the same day Parents were briefed about the School's Philosophy and Goal by Fr. Cleophas and Fr. Gavin. IEYC Coordinator Ms. Yayati Shah gave an overview of the Curriculum and its implementation, followed by a school tour.

### **Unit of Inquiry : IEYC-2 This is Me, Me and My World**

“Know Thy Self”: it is very important to know ourselves and the things that surround us. In the month of July and August, the children of IEYC II learnt about the theme, “This is Me, Me and My World”. The children learnt about the different parts of the body, importance of their name, role of different family members. They also had fun learning about ‘Feelings’ and treated their tummy with expression sandwiches.

## **Celebration Time**

Celebrations are a part of our Curriculum. It binds our children with our culture and traditions. They enjoy, have fun, learn, share and grow with each other.

**Teddy's Birthday Celebration**

**Independence Day Celebration**

**St. Pius X Feast Celebration**

## Unit of Inquiry : IEYC-1 My Toy Shop

"My Toy Shop" a unit full of fun and facts for kids of IEYC –1 were children learnt about how toys are made in factory, packed and dispatched for sale and how we have to pay the money and buy them from the toy shops. They also were given a gist of who invented their favourite Barbie Doll and Teddy Bear. Children had fun building their own Toy shop in homeroom where they displayed toys made by them like the sponge Teddy bear, plastic strainer doll, sock puppet. They decorated their toy shop by colouring images, paper tearing and sticking activity.

## Culmination of the Unit: Knowledge Carnival

Children of IEYC I and II had great learning experiences. They participated in every task with complete sincerity and commitment and explored their creative ideas to decorate their homeroom. To celebrate the children's success, parents came to School to witness the learning and appreciate their efforts. The parents were shown a slide show of various activities in which their children participated. This was followed a one-on-one interaction with the teachers to discuss the strengths and areas of improvement of the young learners.
