IEYC Regional Managers' Visit

On Friday, 28th September, Ms Priyamvada Taneja, Regional Manager - India, Middle East & Africa, Fieldwork Education, International Early Years Curriculum, visited our School for an IEYC inspection. The children welcomed her with a speech and a card made by them. They also showcased their work done in class.

Ms. Delphi presented a slideshow on the planning and execution of the curriculum at SPXIS. Our school managing trustee, Fr. Cleophas and Principal, Fr. Gavin, too shared their views on the implementation of the IEYC curriculum. Ms. Priyamvada was happy with the school functioning and the implementation of the curriculum. She also gave us insights into sharing our work on a global platform with other international schools and innovative ways to implement the curriculum.

Unit of Inquiry : IEYC I **Blast Off!**

"Blast Off ! Space, a unit which took the kids on a tour to the space. Our tiny tots enjoyed making moon, moon rocks, parachutes and stars. They also made solar system in class by spray painting, colouring and sticking activities. They learnt about an astronaut, space shuttle and phases of the moon. They also understood how to be safe in the space and made space suits and space helmets for themselves too, for them to land on the space in the future !!!!!

Annual School Picnic

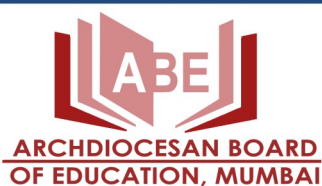

Children had a beautiful fun filled experience at Kidzania, where they enacted different community helpers. They got to learn how their favourite kinder joy, candies, doughnuts, biscuits are being made and cherished eating them. They saw how fire can be extinguished and they all went in fire brigade for a mission to extinguish fire.

Knowledge Carnival

To celebrate children's learning, parents had come to school where they saw a slide show of various activities done in the homeroom. They also witnessed how their children have decorated and displayed their work in the homeroom. This was followed by a one to one interaction with the teachers to discuss the progress of the students.
